## WIS 441 Tri-County Project lane closures for October 20 – October 24

*Traffic restrictions on WIS 441 and US 10*

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing WIS 441 Project lane restrictions for October 20 through October 24 in Winnebago, Outagamie and Calumet counties. Drivers should be aware of reduced speed limits and remember to use caution while traveling through any work zone. This does not include closures by local authorities for accidents or unusual incidents (such as weather).

### US 10/WIS 441 Roland Kampo Bridge

Drivers can anticipate lane restrictions, lane closings and narrow lanes on the WIS 441/US 10 Roland Kampo Bridge throughout the week as crews continue on-bridge construction of a second, parallel bridge over Little Lake Butte des Morts in Winnebago County. WisDOT asks drivers to remain alert and obey speed limits on the bridge at all times.

### Saturday Traffic Switch

On Saturday, drivers can expect the following closures for a traffic switch:
